Leadership in A.A.: **Concept 9 in Action**

Dear Members of Area 56,

What characteristics make a good AA leader? Join us at the Area 56 Mini-Conference in Dayton on Sunday March 22. We will talk about what makes a good trusted AA servant.

On Sunday morning, the entire Conference will have an open mic discussion about Leadership in A.A.: Concept 9 in Action. Our Sunday Morning Conversation will take place immediately following the Sunday morning voting session, if it is needed. It will be followed by the "Ask It Basket" and the Mini-Conference Wrap up. Please join us.

I have been assigned to the Conference Committee on Trustees. The largest part of my Committee work will be discussing the resumés and applications of the candidates for West Central Regional Trustee and Western Canada Regional Trustee and the candidates for AA World Service Board of Directors and AA Grapevine Board of Directors. Much of my committee background is confidential and I cannot share it with you. I am part of the process of choosing leaders for AA. I'd like your input on what you believe are important elements that a good AA leader needs.

You will find the pamphlet: "The Twelve Concepts Illustrated," in the packet you receive when you arrive. Concept 9 talks about leadership in AA. It outlines the importance of Leadership in AA and defines certain characteristics of a good AA leader. Please read it in preparation for the Sunday Morning Conversation. If you have a service manual,

Bill W.'s essay "Leadership in AA: Ever a Vital Need," will be enormously helpful to read as well. It is found in the explanation of Concept 9.

Concept IX

Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The primary world service leadership once exercised by the founders of A.A. must necessarily be assumed by the Trustees of the General Service Board of Alcoholics Anonymous.

I hope to have an informative discussion. Leaders in AA, from Group Chairpersons and General Service Representative to our Directors and Trustees, all ensure that the doors of AA will remain open for the next generation of alcoholics desperate for the solution. I look forward to hearing what you have to share.

With Gratitude and Love,

Nancy F., Delegate

Area 56 Mission Statement

Southwest Ohio Area 56 is a spiritual entity with a threefold mission in support of AA's primary purpose:

- To nurture communication among and foster participation within all elements of the General Service structure, thereby ensuring the formation of an informed group conscience,
- To facilitate Twelfth Step work within Southwest Ohio as guided by the Twelve Traditions and Twelve Concepts for World Service, and
- To assist Groups, Districts and Intergroups in their service to the suffering alcoholic by sharing information, experience and resources.

Walking with Purpose is a newsletter designed to foster unity within Area 56. Excerpts from AA conference-approved literature are reprinted with permission. Opinions are strictly those of the author and any content should not be implied as endorsements by Alcoholics Anonymous.

The area assembly is the mainspring of the Conference structure — the democratic voice of the movement expressing itself.

The First Area Assembly of 2020

Andrea H.

Our first Area 56 Assembly took place Saturday, February 22. This was my first Area Assembly as your Area Chair. There were several new GSRs in attendance, including my home group's new GSR, so several of us had new experiences that day.

In addition to our regular business we conducted an election for unfilled officer positions. Our Delegate, Nancy F. gave a presentation on "How to Give a GSR Report." Our committees gave reports on their activities and DCMs from our districts gave reports on what their districts are doing. At the end of the day we had a breakout session in which each group chose one person to make displays for the various committees to take to the Mini-Conference.

We were also fortunate to have our East Central Regional Trustee, Mark E. in attendance. He gave a report on the status of many issues throughout the General Service Office, the General Service Board, AAWS and Grapevine. I know I'm speaking for all of us who were so happy to have him there.

It would be impossible to have a successful Assembly without the efforts of some of our trusted servants. Yvonne B., our Hospitality Chair, organized and provided the food for the day. Gary K. took care of the sound system. Courtney V., our Corrections Chair manned the registration table. Laura G., Past Delegate took care of all the printing...and there was a lot! Thank you to everyone who participated!

I hope to see all of you at the Mini-Conference. This is my favorite activity in A.A. Every member of our fellowship in Area 56 has a voice and a vote at the Mini-Conference. Join us March 20-22 at the Marriott, 1414 S Patterson Boulevard in Dayton.

I look forward to continuing the next two years as your Alternate Delegate/Area Chair and hope to meet you all. *CMMS*

What to Expect at the Mini-Conference

A Friendly User's Guide

The idea of coming to the Mini-Conference might be intimidating if you have never been before. That's understandable! You will meet new people and be introduced to many aspects of Alcoholics Anonymous that you might not even have realized exist.

Q: What happens when I get to the hotel?

A: There will be signs and greeters to point you in the direction of the registration desk. When you check in and get your name badge, you will be given a folder with information about the breakout discussion group you are assigned to. There are six breakout groups discussing four or five agenda items each (see pages 3-5 for more detail). Assignments are random – that means you will have a chance to be in a group with AA members from all over southwest Ohio.

Q: When should I plan on showing up?

A: If you can come Friday evening, you will have more time to read the material in your packet ahead of time. You will get to hear a report from a person who works at the General Service Office in New York, and to meet a member of the General Service Board—our East Central Regional Trustee. Many people are only able to come on Saturday and that is fine, too. Sunday morning is a time when Area 56 traditionally hosts open mic discussion about whatever is on your mind. And this year, we are going to have an open discussion about Leadership in AA – Concept 9 in Action.

Q: What does it cost?

A: There is no cost to attend. You do not have to stay at the hotel to participate. We have a fabulous hospitality room where you will be able to get a meal if you don't have a lot of cash for restaurants. The Area 56 Mini-Conference is funded by the AA groups of Southwest Ohio. Walk-ins are welcome!

Q: So what's the basic idea?

On Saturday morning, you will meet in your breakout group. The chair or that group will direct you through a series of discussions about each item on your list. Your group will be asked to make recommendations about each item. After lunch, the entire conference body comes together. Each committee will give a report on the results of the breakout. For each recommendation made, there will be a chance for discussion. And then there is a vote to determine the final decision of the conference as a whole.

**Mini-Conference walk-ins
are always welcome!
Come join us!**

Q: Isn't it just politics?

A: This is the story you might have heard, but it isn't true. Just because there's voting involved, doesn't mean it's politics. The process at the Mini-Conference is really about the formation of an informed group conscience. Every AA member in Area 56 has a voice and a vote at the Mini-Conference, which means you have the right to make your opinion known on a wide variety of topics. This Area group conscience is what informs the Delegate when she travels to the General Service Conference to create a group conscience for AA as a whole. All members of AA have a stake in the way the Fellowship makes decisions about our needs and priorities.

Come on out and join us the weekend of March 20-22 in Dayton! Details about the hotel are on the back cover of this newsletter. Remember: everyone in the room was a newbie in service at one time or another, so they have been in the same shoes as you. Don't be afraid to ask questions! We are waiting to have a chance to say hello and welcome you to this part of Alcoholics Anonymous.
